

REPUBLICAN VS DEMOCRAT

A HUGE DIFFERENCE

Throughout the 20th century, liberal Democrats were in control of the legislative process in Florida and in Washington, DC. However, with Republicans now leading the way, we are returning to the policies that made America Great. The differences in the way we're governed reflect the core differences between the two parties.

CRIME

REPUBLICANS BELIEVE the needs of the communities and law-abiding citizens must take priority over those of criminals.

Liberal Democrats have an extremist record of placing the rights of criminals above all, including freeing violent criminals on legal technicalities.

NATIONAL DEFENSE

REPUBLICANS BELIEVE the only way to live free from foreign aggression is to maintain peace through strength.

Liberal Democrats would unilaterally disarm. They impose their extremist agenda by continually voting to divert funds to expand social programs.

EDUCATION

REPUBLICANS BELIEVE students must be challenged to learn in a school environment safe for students and teachers. Parents must be offered more opportunities and options and the massive bureaucracy must be reduced.

Liberal Democrats have imposed discredited social experiments on our schools, dumbing down the curriculum. Together with left-wing, special interest union bosses, they fight attempts to reduce the bloated education bureaucracy.

TAXES

REPUBLICANS BELIEVE Americans should keep more of what they earn through lower taxes and tax policy should not suppress incentives by penalizing success.

Liberal Democrats relentlessly use propaganda to promote the failed premise America can tax its way to prosperity. They wage class warfare against successful Americans through regressive taxes.

SPENDING

REPUBLICANS have long believed government should not spend more than it takes in and have consistently fought for a balance budget.

Liberal Democrats have a sad history of spending taxpayers' money to expand government bureaucracy on the backs of working people and fighting against a balance budget.

MEDICARE/SOCIAL SECURITY

REPUBLICANS BELIEVE seniors' safety net must be preserved for today's beneficiaries and for the millions who will need it tomorrow.

Liberal Democrats shamelessly scare and frighten our seniors, acting as if nothing needs to be done, offering no solutions to a true problem.

GOD

REPUBLICANS BELIEVE, as the founding fathers before us, God was a major factor in the creation of this nation. Efforts to remove Him from society altogether must be reversed.

Liberal Democrats are aligned with extreme left-wing elements that want God totally removed and banned from public utterances and displays.

Hundreds of elected Democrats and thousands of Americans are switching to the Republican Party. If you are not yet a member of the Republican Party, call your county party or call 850-222-7920 and join today! If you are already a Republican, help a friend make the right choice.
